Holiday for two

Are you longing for a romantic holiday for two in a small, lovingly furnished holiday home?
Then you will feel really comfortable in La Estrella.

The bright, friendly interior gives La Estrella a pleasant and soothing atmosphere.

Here you can feel the beach, the sea and the summer sun.

Modern interior

The apartment has an open kitchen with breakfast bar and a romantic bedroom under the roof.
The bedroom is accessible via a steep staircase to the top, making the house less suitable for people with mobility problems or small children.
The bedroom has a cot for children from 4 to 13 years.
The interior is a treat for the eye with its stylish accents.

In fantastic surroundings

La Estrella is located in a quiet side street within walking distance of the beach of Katwijk aan Zee, a historic, small fishing village on the South Holland coast.

Despite the quiet location, the shopping street and restaurants are nearby.

With a bus stop at 200 meters it is also easy to go out without a car.

And just a kilometer away is a beautiful sub-tropical swimming pool.

A holiday in Katwijk aan Zee you will always remember.

We would like to welcome you!
