Holiday Park Sollasi

This location is the most famous flower region in Holland, the 'Bollenstreek'. Here you can make beautiful cycling tours through flowering tulip fields and visit pretty little villages. The forests, the dunes and the North Sea beach are only a few minutes away by bike.

Bicycles, children's bicycles and child seats can be rented at the reception.

You can store your own bicycles in the shed at your holiday home. At the campingsite you can get fresh bread rolls in the morning.

There are two different restaurants at the holiday park where you can enjoy your breakfast, a cup of coffee or tea, delicious lunches or dinner. The MAMA is an Italian restaurant and is located directly in the bungalow park.

The Como & Co restaurant is located directly on the lake. Here you can rent kayaks and rowing boats.

The holiday park has a lot to offer for both young and old. You can play petanque or tennis. Children can play on the many playgrounds. At the lake you will find cosy beaches and sunbathing lawns for extensive sunbathing.

There is a horse farm about 300 metres away. You can stable your own horse there during your stay. The horse farm borders the dune area 'Hollands Duin'. From here you can take beautiful rides through the dunes of Noordwijk and Noordwijkerhout.
