Imagine this: after a delightful day sunbathing on the beach, you flop down on one of the two comfortable sofas in the cozy living room. Feet up, relax. And for the ultimate relaxing evening, put on your favorite movie while you sink into the soft armchair. Sounds good, right? Whether you're a kitchen prince(ss) or just love a good cup of coffee, this kitchen has it all! A stove, an oven waiting for your culinary creations, a dishwasher, a spacious refrigerator, and even a freezer. And of course, for coffee lovers, a Nespresso machine and kettle. The dining table seats four people – perfect for cozy dinners or a game night. Whether you come with family or friends, with three bedrooms there is enough space for everyone. Start your day in the master bedroom, where a comfortable double bed (180x200cm) ensures you wake up fresh and fruity every morning. The two separate nightstands and subtle bedside lamps give the room a warm and personal atmosphere. And the best part? From this room, you step right into the garden. Imagine opening the door and the fresh air reaching your nose as you enjoy the first rays of the sun. The second bedroom is equipped with a single bed (90x200cm) and a practical chest of drawers. Perfect if you're traveling with friends or family, or if you just need some extra space for yourself. Then we have the third bedroom, which has a classic touch with a cozy one to two-person bed, also known as a 'twijfelaar' (approx. 130x200cm), and a handy night/drawer cabinet. It's the ideal place to retreat with a good book or to daydream for a while. And then the bathroom, your own mini-spa. This space is equipped with a modern washbasin cabinet with enough storage space for all your stuff, an illuminated mirror to relax after a day full of adventure, for the perfect shave or makeup session, and a spacious walk-in shower where you can shower wonderfully. And with a separate toilet, you never have to wait – convenient! What is a vacation without outdoor living? In the sunny, enclosed spacious garden, you'll find a

comfortable bench, chairs, and a dining table for five people. There is a cozy seating area around a small fire pit where you can roast marshmallows. Ideal for a summer barbecue or just lazily enjoying the sun with a good book and a cold drink. Traveling with a little one? No worries, a foldable baby cot (60x120cm) is ready. And for animal lovers: you can bring two pets. There is also a covered bicycle shed and two parking spaces for your car. This bungalow is ready to make your vacation dreams come true. Whether you're looking for a place to unwind, an adventurous base, or just a cozy get-together with your loved ones, this bungalow offers it all.
