This charming, ground-floor holiday cottage is cozily furnished with lots of love. It combines rural charm with Zeeland influences, making you feel right at home immediately. The cottage may be compact, but it is designed to make your stay as pleasant as possible. The sitting area is equipped with two comfortable reclining armchairs by the television. Turn them a quarter turn, and you enjoy the view through classic windows outside. There is also a dining table for two, perfect for a romantic dinner or a cozy breakfast. Although the kitchen does not have a hob, there are enough facilities to prepare a simple meal. With a microwave oven, refrigerator, kettle, filter coffee maker, and a Nespresso, you can easily put something simple but tasty on the table. Through the sliding doors in the living room, you enter the bedroom. This cozy bedroom with a double bed (160x200cm) promises a good night's sleep. Note: you do enter and exit the bed via the foot end. There is ample storage space for your clothes in the existing wardrobe. Through the bedroom, you step into the bathroom, which is equipped with a walk-in shower, toilet, and a washbasin with furniture. Here you will find enough space to store your towels and toiletries. The cozy garden, surrounded by a beech hedge, offers a lovely place to relax. With a bistro set, you can enjoy cooling off in the shade in the summer due to the northern location. There is room for a maximum of two adults; unfortunately, there is insufficient space to place a cot in the bedroom for children up to and including 2 years old. Pets are also not allowed. You can easily park your car in the private parking space at the house.
